

DARSTELLUNG DER LEGENDÄREN SZENE MIT LEGO® STEINEN

CASPER GLAHDER: LEGO® GRAPHIC DESIGNER
ATTICUS TSAI MCCARTHY: LEGO® DESIGNER
WOON TZE CHEE: LEGO® SENIOR DESIGNER

„WIE ICH ES HASSE, IMMER RECHT ZU BEHALTEN“

DR. IAN MALCOLMS DÜSTERE PROGNOSEN BEWAHRHEITEN SICH, ALS DER T. REX AUS SEINEM GEHEGE AUSBRICHT.

„Ich liebe *Jurassic Park*! Für mich ist das der ultimative Blockbuster. Und dieser Auftrag war die perfekte Entschuldigung, mir den Film mindestens fünf Mal anzusehen – natürlich nur zu Recherchezwecken! Besonders stolz bin ich darauf, wie toll der Kopf des T. Rex geworden ist und wie gut sich die LEGO® Speed Champions Windschutzscheibe als Glasdach des Ford Explorer macht. Außerdem habe ich eine grüne Platte in den T. Rex eingebaut, die auf die Veranlagung aller Dinosaurier im Jurassic Park anspielt. Mir gefällt dieser coole kleine Touch.“

ATTICUS TSAI MCCARTHY: LEGO® DESIGNER

„NICHT. BEWEGEN.“

DR. ALAN GRANT HOFFT, DASS DER GEFRÄSSIGE DINO SIE DANN GAR NICHT ERST BEMERKT.

„An diesem Modell haben der LEGO® Designer Atticus und ich zusammengearbeitet. Atticus hat sich auf das Hauptfahrzeug und den T. Rex konzentriert, während ich mich um den Sockel und das umgestürzte Auto kümmerte. Wir sind beide riesige Fans des Films, deshalb wissen wir genau, wie wichtig diese Szene für die Zuschauer ist. Der Druck, alles perfekt darzustellen, war enorm!

Einer der faszinierendsten Aspekte bei der Arbeit an diesem Set war die bloße Anzahl der berühmten Details und legendären Elemente in dem Modell. Zum Beispiel die wackelnden Gläser, die die Ankunft des T. Rex ankündigen, dieser nervige Handscheinwerfer (mach das Licht aus!), die geplatzten Reifen, die unglückselige Ziege ... ganz zu schweigen von der prächtigen Bestie selbst! In dieser Szene ist so viel los, was uns vor eine spannende Herausforderung stellt, denn wir müssen den Maßstab richtig hinbekommen, damit alles zu den Minifiguren passt. Bei zu vielen Details wird alles sehr schnell sehr groß. Wird jedoch ein Objekt sehr klein gebaut, sind nicht genug Details zu erkennen. Letztendlich haben wir den richtigen Maßstab für diese Szene gefunden, um in Erinnerungen schwelgen zu können. Hoffentlich empfinden die anderen Fans von *Jurassic Park* das genauso!“

WOON TZE CHEE: LEGO® SENIOR DESIGNER

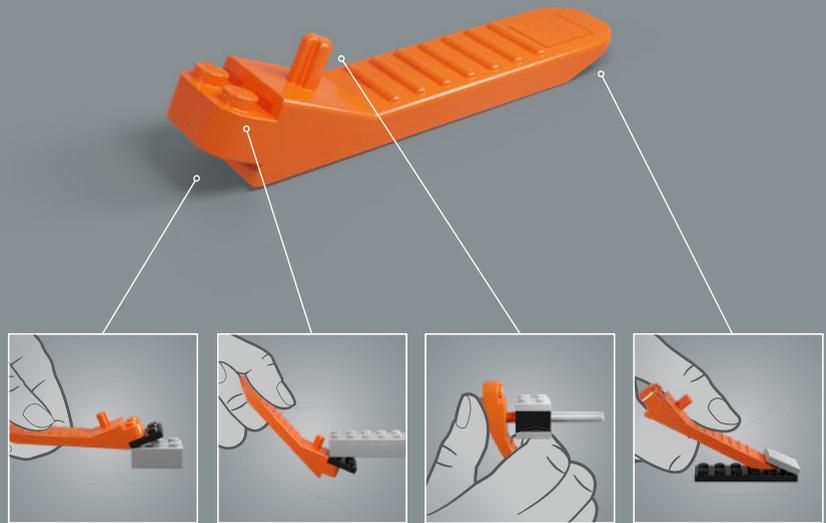

„RAAAWWKKKK!“

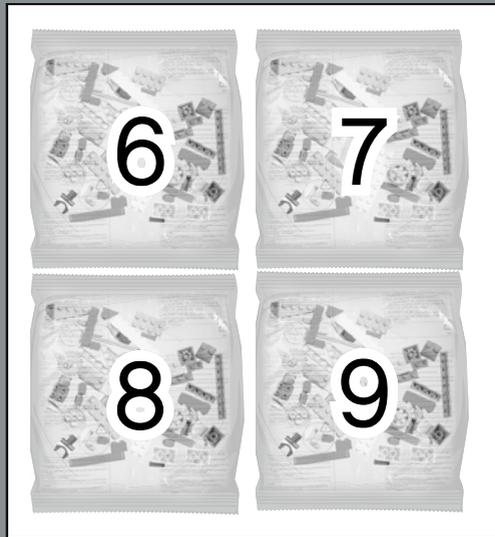

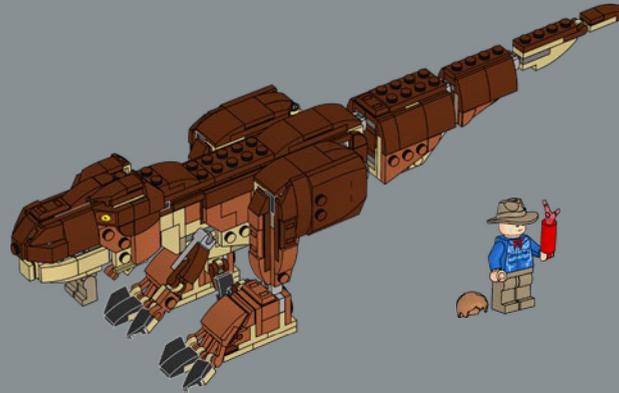

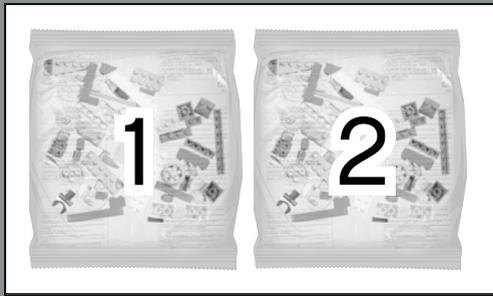

DER T. REX STELLT SICH DEN VERÄNGSTIGTEN GESCHWISTERN TIM UND LEX MURPHY VOR.

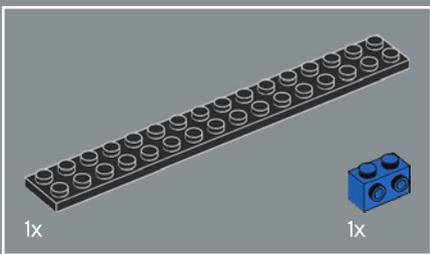

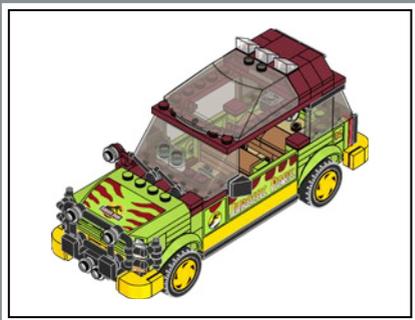

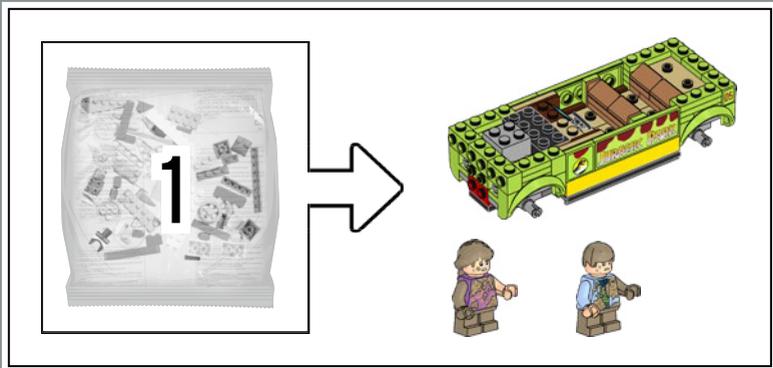

„Meine Aufgabe war es, den Grafikelementen des Sets Leben einzuhauchen – vor allem all den Schildern und Aufklebern. Es war eine große Ehre, an dem Ford Explorer zu arbeiten, denn er wurde zum ersten Mal in einem LEGO® Set zum Leben erweckt. Und ich weiß, dass sich viele Fans dieses Modell gewünscht haben. Ich wollte ihn ganz authentisch nachbilden und all die faszinierenden kleinen Details wie die Warnschilder und den Touchscreen im Auto darstellen. Mir gefällt auch sehr, wie die Augen des T. Rex geworden sind, schließlich spielen sie eine denkwürdige (und furchteinflößende) Rolle in dieser Szene!“

CASPER GLAHDER: LEGO® GRAPHIC DESIGNER

TYRANNOSAURUS TECH

Heutzutage sind wir schicke superdünne Handys, Tablets und Laptops gewohnt, die uns in Echtzeit mit Informationen beliefern und unterhalten. Doch damals im Jahr 1993 war dieses CD-ROM-Laufwerk mit interaktivem Touchscreen modernste Spitzentechnologie. War jedoch noch nichts für die Hosentasche ...

„MACH DAS LICHT AUS, MACH DAS LICHT AUS!“

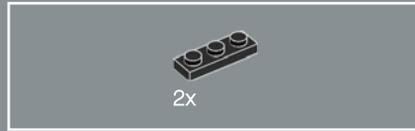

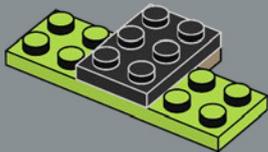

In einer perfekten Welt wäre Lex ganz still und ruhig geblieben und hätte den wütenden T. Rex einfach vorbeistampfen lassen. Aber macht es nicht viel mehr Spaß, panisch mit einem grell leuchtenden Handscheinwerfer zu wedeln?

„HABT IHR DAS GEHÖRT?“

Wie lässt man Menschen merken, dass ein T. Rex kommt, *ohne es ihnen zu sagen*?
Dazu benötigt man nur zwei Gläser mit Wasser und etwas, das gigantisch genug ist,
um sie wackeln zu lassen ... und schon hat man Kinogeschichte geschrieben!

TOLLE DETAILS ZUM ENTDECKEN

Das Panoramadach. Die legendäre Lackierung und die Aufklebefolien. Die leuchtend gelben Felgen und der wuchtige Kühlergrill. Damals im Jahr 1993 träumten alle davon, einen *Jurassic Park* Ford Explorer XLT zu besitzen. Leider gibt es jetzt einen weniger ...

DER KÖNIG DER KÖNIGSECHSEN

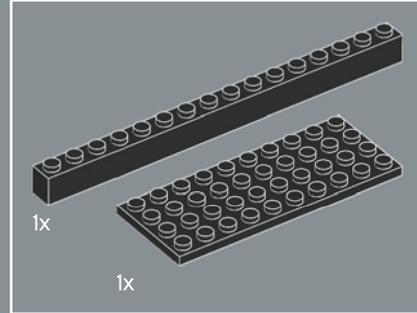

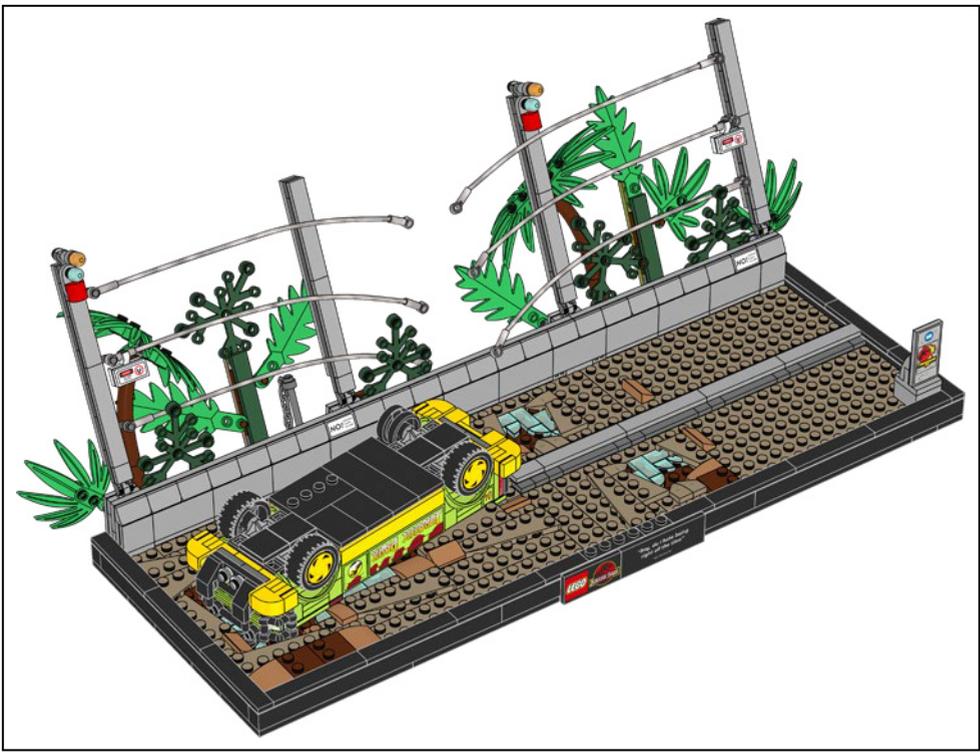

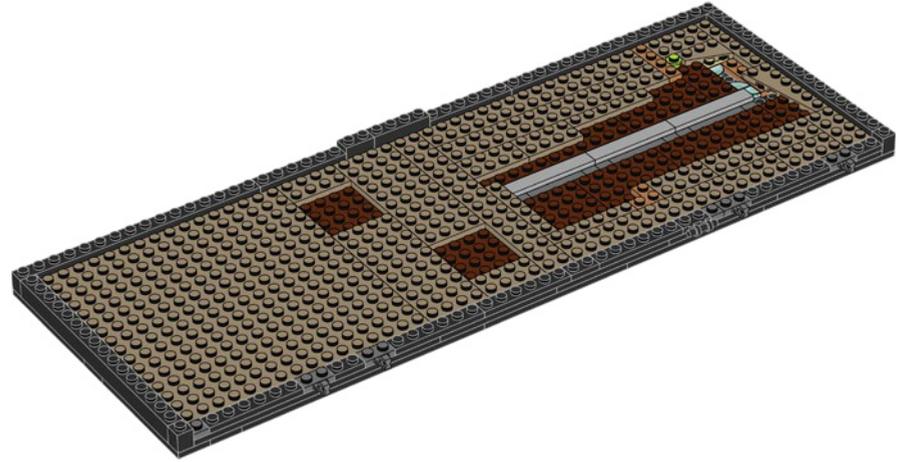

Vor 1993 hatte das Kinopublikum noch nie einen 13 Meter großen lebensechten Apexprädatoren gesehen. Mit bahnbrechender Animatronik und ein wenig Computeranimation ließ sich eine Kreatur erschaffen, die Zuschauer auch heute noch schaudern lässt.

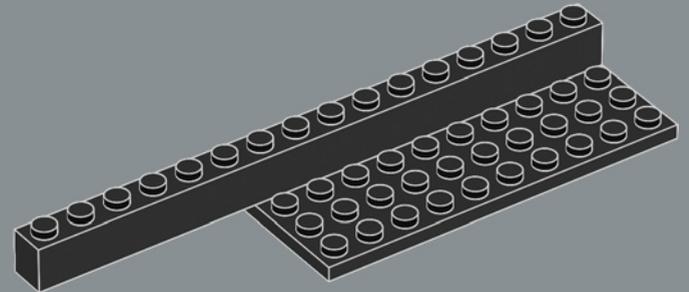

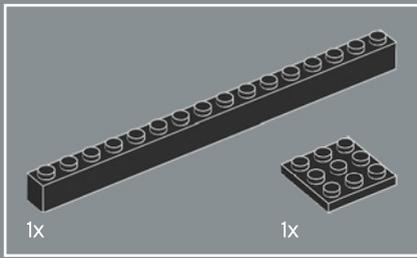

HOL'S, REXY!

Als Lex und Tim unter dem umgekippten Auto festsitzen, muss sich Dr. Grant schnell etwas einfallen lassen, um die beiden zu retten. Er entzündet eine Signalfackel und wirft sie zurück ins Gehege, um den T. Rex abzulenken und die Kinder flüchten zu lassen.

LICHT, DINOSAURIER, ACTION ...

Wenn man gerade den Zaun erklimmt (was wir nicht empfehlen würden), sollte man immer auf das blinkende Blaulicht achten - denn damit wird angekündigt, dass der Strom wieder eingeschaltet wird. 1 - 2 - 3 ... spring!

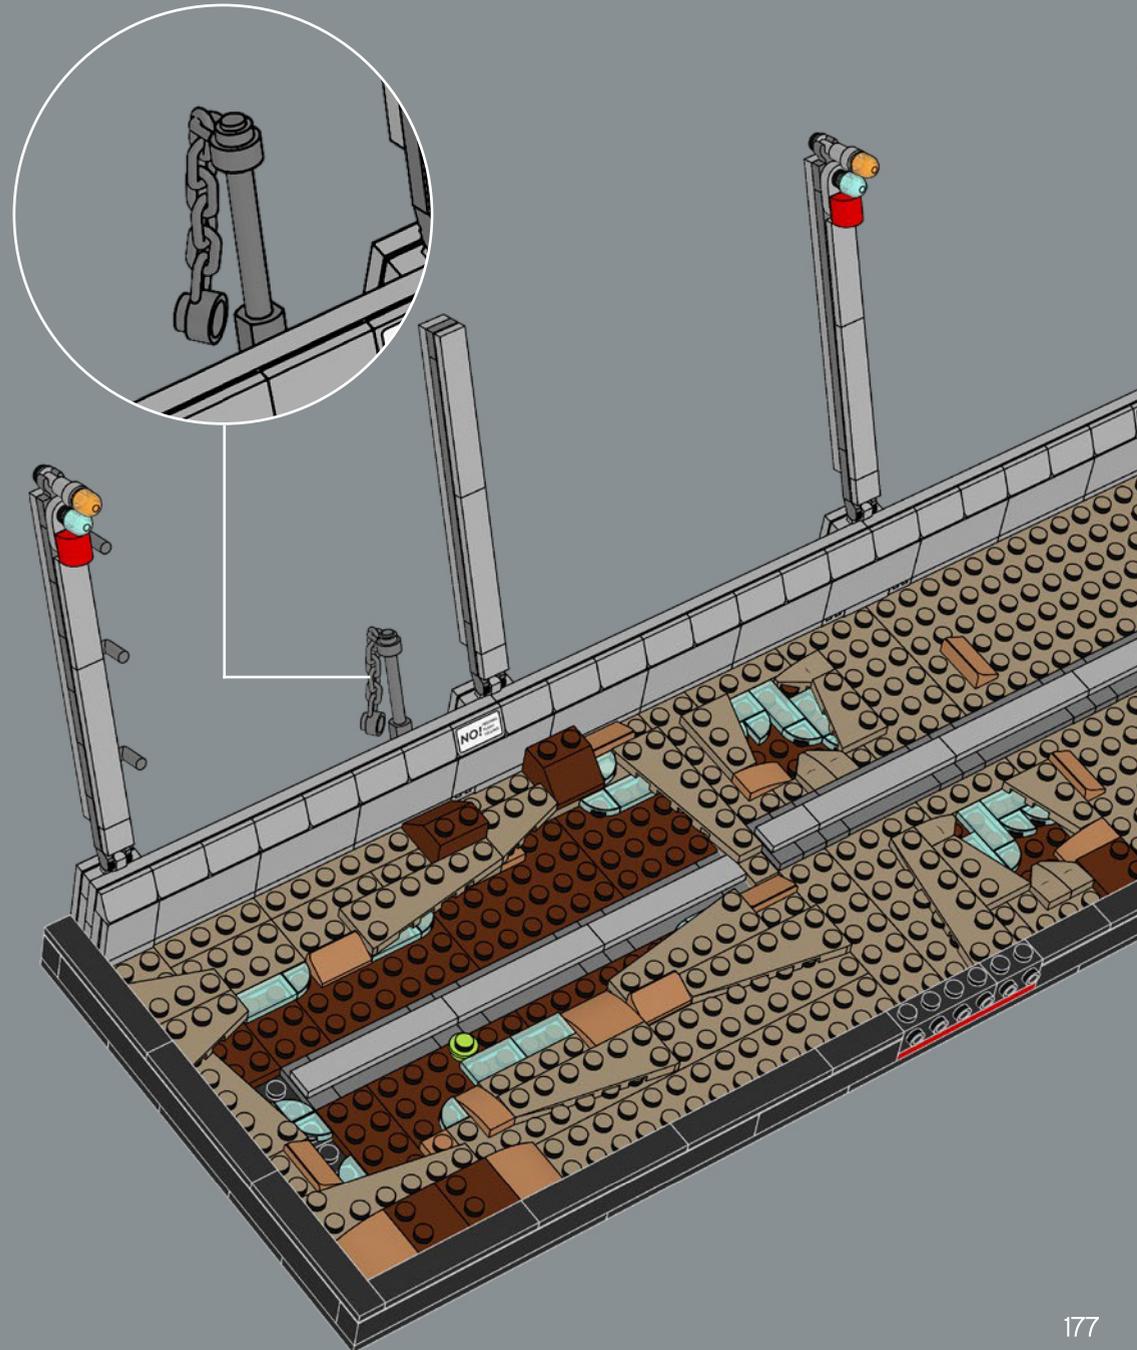

78

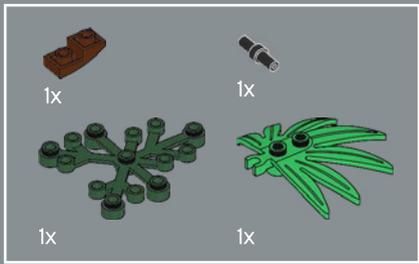

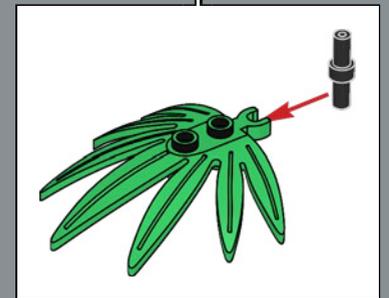

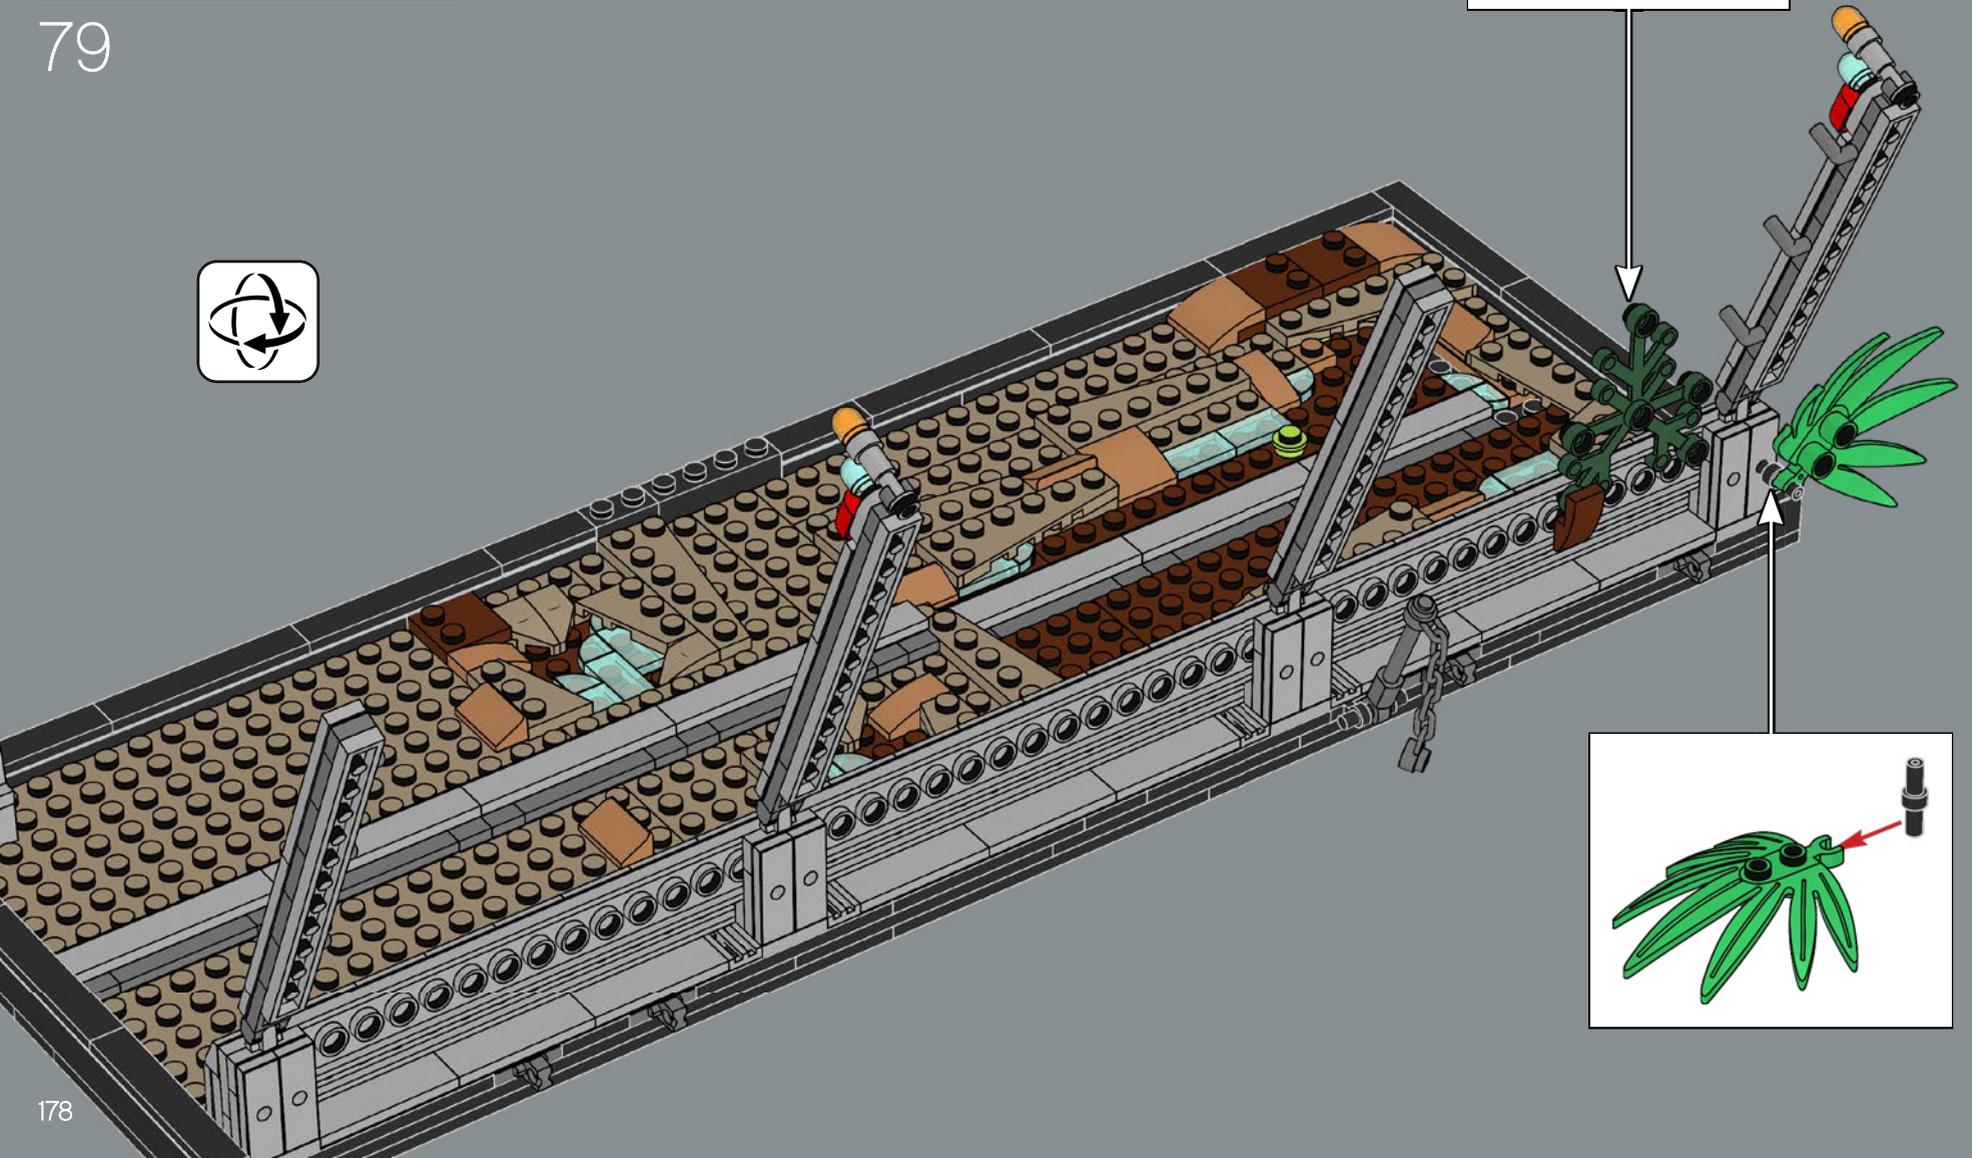

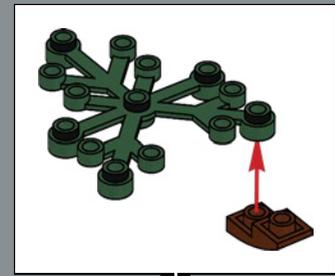

„WO IST DIE ZIEGE?“

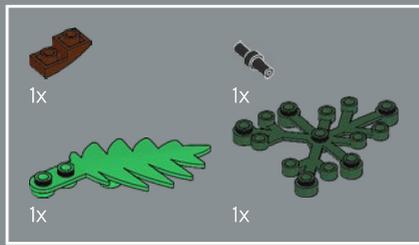

Wir hätten schwören können, dass da eben noch eine Ziege war. Hmmm ... Wir sind uns sicher, dass es einen ganz logischen und wenig verstörenden Grund für ihr plötzliches Verschwinden gibt und dass die Ziege nicht auf unserem Auto landen wird ...

WO IST MEIN RAD?

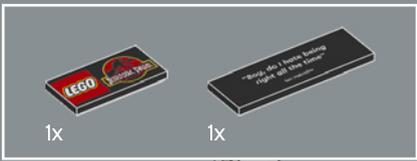

Hmmm, anscheinend fehlt uns ein Rad. Wir können nichts dafür. Der hungrige T. Rex hat das Rad mit einem köstlichen Snack verwechselt ...

WER HOLT DICH DA RAUS?

Gerade, als du meinst, dass es nicht schlimmer werden könnte, kippt ein T. Rex deinen Ford Explorer aufs Dach und stampft ihn in den glitschigen Matsch. Jetzt kann dich nur noch ein Wunder retten – oder ein mutiger Mann mit einer Signalfackel ...

160

SARKASTISCHE SPITZEN

Auf eines war immer Verlass: Dr. Ian Malcolm hatte in jeder noch so heiklen Situation einen treffenden sarkastischen Spruch parat. Ian hatte John Hammond eindringlich davor gewarnt, Dinosaurier in Gefangenschaft zu halten. Als der T. Rex jetzt die Barriere durchbrach, konnte er sich diesen berühmten Ausspruch nicht verkneifen ...
